According to this report, this specific form of Toxoplasmosis can be brought on through smoking cigarettes and excessive drinking or eating.. You see, for decades, it has been reported in the Indian Express that the Prime Minister is suffering from a form of cancer that is causing him to go blind in one eye. A man by the name of Naveen Jhaalania had reported that this cancer was growing steadily within his peripheral vision after chemotherapy treatment.. But, a case where smoking could cause cancer is not out of the question. But, the most recent case of this type of Toxoplasmosis is that of Naveen Jhaalania.
